

WALLBANK
MANUFACTURING

OVERVIEW

Operating from a 55,000 square foot facility 30 minutes from Kitchener/Waterloo, our operations are less than one hour from the Toronto area and less than three hours from Detroit, MI and Buffalo, NY, enabling us to efficiently and cost effectively ship product across Canada and into the US. As privately-held firm, with almost 60 years of engineering, design, production, application and operating expertise, we are well positioned to satisfy your Spring and Wire-form Product requirements.

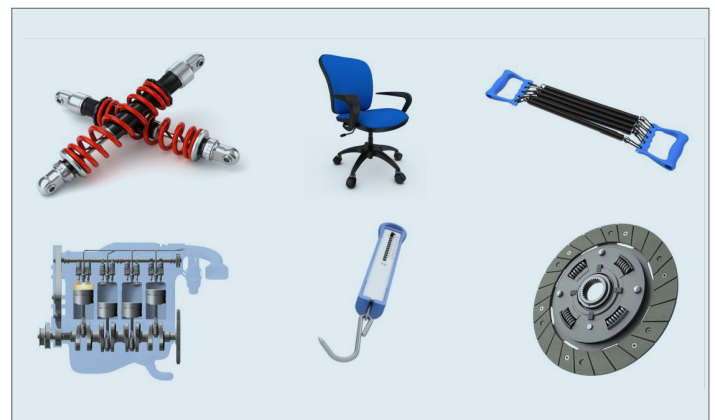

**STRESS RELIEVING • PAINTING • OIL COATING • PROTOTYPES
• INVENTORY SOLUTIONS • FAST QUOTES & SHORT LEAD TIMES
• ENGINEERING SERVICES**
