

OVERVIEW

Operating from a 55,000 square foot facility 30 minutes from Kitchener/Waterloo, our operations are less than one hour from the Toronto area and less than three hours from Detroit, MI and Buffalo, NY, enabling us to efficiently and cost effectively ship product across Canada and into the US. As privately-held firm, with years of engineering, design, production, application and operating expertise, we are well positioned to satisfy your Bin-Bolt and Specialty Fastener product requirements.

**CUSTOMIZED PACKAGING • CUSTOMIZED LABELLING •
 VARIETY OF COATING OPTIONS QUICK QUOTES & SHORT LEAD TIMES
 • LOW DENSITY POLYETHYLENE SEALING WASHERS**
